

Charter School Specialists Application for Existing School Seeking New Sponsor

St. Aloysius is pleased to invite applications from quality community schools seeking new sponsorship beginning July 1, 2018.

St. Aloysius, partnering with Charter School Specialists since 2005, is one of the most respected and top rated sponsors in Ohio. St. Aloysius enables and supports quality community school success and a commitment to strong partnerships between the sponsor, governing authorities and leadership teams.

Community School contracts are granted only to those applicants that have a sound plan for, and demonstrate the capacity to operate a quality, high performing community school. Each application is reviewed and additional data is collected for St. Aloysius to make a final determination as to whether to offer a community school contract. The school must notify their current sponsor of the desire to non-renew their charter contract at least 180 days prior to the expiration of their current contract.

The deadline for submission of this completed application is October 27, 2017 at 5:00pm Eastern Time.
